

Language Exchange Application

The Language Exchange Program is a free and voluntary service administered by ILI to connect our students with members of the community. It is an opportunity to meet new people and experience other cultures in the context of speaking and listening. The emphasis of the program is conversation, not instruction and we match people based on their requested languages, availability, and any other desired traits (a fellow student for example) when possible.

Name: _____ Date: _____

Address: _____

Phone: (home) _____ (work) _____ (cell) _____
