

Welcome to the International Language Institute of Massachusetts!

We would be delighted to have you study English in our Intensive English Program. Since 1984 the International Language Institute has earned a distinguished international reputation for its excellent language and teacher training programs. ILI is a small, unique school with a warm and friendly staff. We make every effort to create a comfortable and relaxed environment that helps students to feel more at home. With 5 colleges within 10 miles of ILI and many opportunities to attend lectures and cultural events, Northampton is the perfect place to study English.

ILI serves students in academic, business and practical English. Classes are small (maximum of 12) and students receive individual attention. We offer Intensive English courses 47 weeks each year with start dates once a month. Business English students can enroll for as little as one week and work individually with a private instructor. In addition, Intensive English Program students have access to effective pronunciation software in our computer lab, trained volunteer community tutors and can live with American hosts who are within walking distance to the school or on a convenient bus route.

After completing our Intensive English Program, graduated students may choose to transition to one of the nearby colleges that offers conditional acceptance to qualified students who complete an ILI Intensive English Certificate.

An evaluation of each student's level of English is performed on the first day of classes. Throughout the program you and your instructor evaluate your progress. At the end of the program you will receive recommendations for future study. All students who attend 90% of the program will receive a certificate of completion.

A typical day in the Intensive English Program:

9:00 -10:45	Communicative Grammar
10:45 - 11:00	Break
11:00 - 12:00	Speaking and Listening, Focus on Pronunciation
12:00 - 1:00	Lunch
1:00 - 2:30	Writing and Vocabulary Building
2:30-5:30 (optional)	Access to multimedia computer lab with free Wi-Fi, free English classes with teachers in training, private tutorials for an additional fee

If you have any questions, you can reach me by phone at (413) 586-7569 ext. 117, e-mail: macey@ili.edu or fax (413) 586-8927. I look forward to working with you.

Sincerely,

HOW THE MEDICAL EXPENSE BENEFIT WORKS

If you are injured or become ill during your stay and require medical attention—such as treatment from physicians, hospitalization and medication—the costs of services are your responsibility. Gateway USA can help protect you against the unexpected medical costs for covered medical services during a **period of coverage** (the number of months for which you request and pay for insurance), the Gateway USA plan works like this:

You are responsible for the first \$150 of **covered medical expenses** (called the **deductible**). For the next \$5,000 of covered medical expenses, the Plan pays 80% of the cost; you are responsible for the other 20% (called the co-insurance). After your deductible and co-insurance are met (\$150 + \$1,000), the Plan pays 100% of the remaining covered medical expenses up to the **medical expense maximum** you choose—\$50,000 for Plan A or \$100,000 for Plan B—or the **maximum benefit period**, whichever occurs first.

A listing of medical expenses that are covered under the Plan, and those that are not covered, as well as the maximum benefit period are described in the Description of Benefits section in this brochure. Here are other positive features of the Plan...

- * The deductible and co-insurance are applied only once during each period of coverage.
- * The medical expense maximum is applied to covered expenses for each separate, distinct and unrelated condition.

Cancellation and Refund Policy

1. If you withdraw prior to the start of class, we will send you a full refund (if tuition was paid in full) and all refundable fees (tuition deposit and airport transportation). See page 5 of this application for a list of non-refundable fees. Your refund will be processed within 30 days of your cancellation date.
2. In case of visa denial, you must notify us to receive a full refund of your tuition or tuition deposit. We must receive a denial letter from the American Embassy within 25 days from the visa denial notification date to issue the refund (refund will be issued within 30 days of notification.)
3. If you postpone your course, you must notify us *at least two weeks in advance of the starting date*. If you cancel your course after you have postponed it, you will be charged a \$200 registration cancellation fee. A new application with full payments must be completed if you need to postpone for more than three months. If visa is denied after postponement, tuition deposit will be refunded in full, provided visa denial procedures (stated above in #2) are followed.
4. There is no compensation made for instruction lost because of holidays, emergencies, bad weather occurring during the session. In case of instructor illness, we make every effort to provide a substitute or make up classes.
5. If you withdraw at anytime within the first four weeks, ILI will retain the charges applicable to the first four weeks. If you withdraw after the first four weeks but before or at the mid-point of a consecutive program, ILI will retain a prorated amount of tuition. If you withdraw after the mid-point of your program, ILI will retain all of the charges for that program. Prorated funds will be calculated on a weekly basis. Refunds will be issued within 30 days of notification.
6. No refunds will be made if you are asked to leave the program due to violations of ILI's disciplinary and/or attendance policies or local, state or federal law.
7. If you are part of the home-stay program and withdraw before the end of the program, ILI will retain 2 additional weeks of housing and refund any remaining balance.

ILI prohibits discrimination on the basis of race, color, creed, gender, gender identity, age, marital status, national origin, mental or physical handicap, political belief or affiliation, membership or non-membership in any organization, or veteran status in any aspect of the administration or treatment of students or in employment. ILI is committed to ensure that all of its services are accessible to qualified persons with disabilities in accordance with the Americans with Disabilities Act.

ILI is accredited by the Accrediting Council for Continuing Education and Training and the International Association of Language Centres and a member of the American Association on Intensive English Programs
